There was a wide ranging discussion regarding using part of the church building for refreshments after the 10am Sunday service. Many different perspectives were shared, and no proposal had a clear backing within the meeting. Whilst it was agreed that a kitchen in the church would enhance our mission activities, careful thought would need to be given to how this might be used more widely in the life of the church.
  - (ii) Contributions to Food Bank.  
The importance of our contributions to the Food Bank was highlighted.
  - (iii) Money

All members were encouraged to consider their giving to the church given the need to keep the fabric of the church in good repair, and the mission based investment we hope to proceed with.
