

Advent Sunday

Theme: Advent

Tune: 'Let All Mortal Flesh Keep Silent' (Picardy 8.7.8.7.8.7)

Source: Isaiah 64:1-9

'Round the world deep darkness circled,
'til heav'n came and kissed the earth,
Light of God within a manger,
Advent in his humble birth!
Shine in the darkness - dawn in us.
Make your advent in our hearts.

In our world the darkness threatens,
'til he comes in judgement hour.
Light to scatter every shadow,
Advent when he comes in power.
Shine in the darkness - dawn in us.
Make your advent in our hearts.

In our hearts the darkness lingers:
Wait and watch throughout this night.
Christ be born within the broken,
Advent when he brings his light.
Shine in the darkness - dawn in us.
Make your advent in our hearts.
