

## Christmas Day

Theme: The Incarnation

Tune: 'Tell out my Soul' (Woodlands 10.10.10.10)

Source: John 1:1-12

Our God made flesh who makes the darkness hide;  
The Sun of Righteousness to come beside;  
The mystery of God unveiled and known;  
God unseen in the flesh in Christ is shown.

Our God made flesh who bridges the divide;  
Exalted Lord his honour sets aside;  
Our God come close so we are not alone;  
Made one of us - our weakness he has owned.

Our God made flesh to join us to the Lord;  
For only that assumed will be restored;  
This child is given - a gift from God above;  
That we might share in God's own Triune love.
