

Christmas Eve

Theme: Prepare him room

Tune: 'O little town of Bethlehem' (Walford-Davies DCM)

How can a baby save the world?
With every cry or smile?
By drinking milk or lullabies?
Why would God send a child?
But all his fullness one with us;
Heav'n comes down touching Earth;
Divine and human meet in him;
God given in this birth.

How can his Son descend to us?
To such a sorrowing sphere?
How can our God donate himself,
To take on every tear?
But love divine impelled this gift;
To enter and unite;
For Love himself has come in flesh;
To lift us to his height.

How can we rightly give him praise,
For giving us himself?
What can we give in our reply,
What offer from myself?
But Jesus waits to enter in;
To meet with us today;
So open hearts up to his love:
Prepare him room to stay.
