

## **Palm Sunday**

Theme: The Cross

Tune: original music 8.7.8.7D

Christ crucified - dying for us,  
Reconciles the far away.  
We were lost, alone and helpless,  
Turned from God and gone astray.  
As he cries aloud 'forsaken'  
And his arms are opened wide,  
We are brought into God's presence,  
Welcomed home as Jesus died.

Christ crucified - offered for us,  
Facing judgement in my place.  
Takes my blame and condemnation,  
In this sacrifice of grace.  
As he sinks down into darkness,  
He bears God's wrath on the cross,  
I'm declared by God as righteous,  
Seen in Christ - loved in this cost.

Christ crucified - given for us,  
As a ransom for our sin.  
Setting loose from our prison,  
Liberation to begin.  
Piercing nails - Christ's life a payment,  
Love and justice satisfied,  
Rescue to us helpless captives,  
Freedom as he's crucified.

Christ crucified - lifted for us,  
As he reigns upon the cross.  
For death's chains cannot hold him,  
And Hell's power has been lost.  
Christ the Lord says 'It is finished'  
Victory by thorny crown,  
Love's eternal plan accomplished,  
In his triumph I am found.
